

MODEL LETTER OF INTENT FOR MEMBERSHIP TO THE GLOBAL GREEN GROWTH INSTITUTE

Dr. Frank Rijsberman
Director-General, Global Green Growth Institute
Depository of the Agreement on the Establishment of GGGI

Dear Dr. Rijsberman,

On behalf of the Government of [Country], I would convey our intention to join the Global Green Growth Institute (GGGI).

[Country] is a member state of the United Nations, and is committed to the objectives of the Institute as outlined in Article 2 of the Agreement of the Establishment of GGGI, namely,

[Promoting] sustainable development of developing and emerging countries, including the least developed countries, by:

- a. supporting and diffusing a new paradigm of economic growth: green growth, which is a balanced advance of economic growth and environmental sustainability;*
- b. targeting key aspects of economic performance and resilience, poverty reduction, job creation and social inclusion, and those of environmental sustainability such as climate change mitigation and adaptation, biodiversity protection and securing access to affordable, clean energy, clean water and land; and*
- c. creating and improving the economic, environmental and social conditions of developing and emerging countries through partnerships between developed and developing countries and the public and private sectors.*

[Option to include information about country's commitment to the Paris Agreement and SDGs]

The Government has embarked on a process to ratify the Agreement on the Establishment of GGGI and have appointed [Minister name and title] as a focal point to engage with you as we proceed through the ratification process.
